

List of Periodicals

International Baptist Theological Seminary

Prague

2010/11

PERIODICALS of

International Baptist Theological Seminary Library

In this *List of periodicals* are mentioned all the relevant theological periodicals to which we (i.e. IBTS) can provide you an access. We have them either in PRINT form and you can find them in the library (refers to the “Holdings” in the List), or we have an ONLINE access through our online databases.

- a) **PRINTED** periodicals are located in several areas of the library.

The current issues are displayed in the alphabetical order at the display in the **entrance hall**. The recent issues awaiting binding are available in the librarian’s office. The past issues, which have been bound and are identified with **PER**, are arranged according to the alphabetical order on the shelves at the far end of the **reading room** and in the **periodicals room**.

Not bound issues are displayed in the **reading room**, next to the Rüscliikon room. The past non-bound issues are in the vertical periodical boxes arranged by title on the shelves in the **periodicals room**.

Some periodicals are available only as a microfilm or as a microfiche and are located in the **audio/visual room**.

b) **INTERNET access:**

IBTS library disposes with three **paid** online databases of journals:

- *Academic Search complete - EbscoHost*
- *ATLA Religion Database with ATLASerials – OvidSp*
- *ProQuest Religion*

To access these online databases you need to do the following.

DIRECT ACCESS – from IBTS Library and campus:

ELECTRONIC databases of journals at IBTS

Academic Search Complete - EbscoHost

Academic Search Complete is the world's most valuable and comprehensive scholarly, multi-disciplinary full-text database, with more than 7,000 full-text periodicals, including nearly 6,000 peer-reviewed journals. In addition to full text, this database offers indexing and abstracts for more than 11,000 journals and a total of more than 11,600 publications including monographs, reports, conference proceedings, etc.

This scholarly collection offers unmatched full text coverage of information in many areas of academic study including animal science, anthropology, area studies, astronomy, biology, chemistry, civil engineering, electrical engineering, ethnic & multicultural studies, food science & technology, general science, geography, geology, law, materials science, mathematics, mechanical engineering, music, pharmaceutical sciences, physics, psychology, religion & theology, veterinary science, women's studies, zoology, and many other fields.

Academic Search Complete offers critical information from many sources unique to this massive collection. The database features PDF content going back as far as 1887, with the majority of full text titles in native (searchable) PDF format. Searchable cited references are provided for more than 1,000 journals.

ATLA Religion Database with ATLASerials - OvidSp

ATLA Religion Database with ATLASerials combines the premier index to journal articles, book reviews, and collections of essays in all fields of religion with ATLA's online collection of major religion and theology journals.

The *ATLA Religion Database* includes more than 555,000 article citations from more than 1,656 journals (518 currently indexed), more than 232,000 essay citations from over 16,700 multi-author works, more than 511,000 book review citations, and a growing number of multimedia citations. Coverage in this database begins in 1949 although indexing for some journal titles extends back into the nineteenth century. Full text is provided for more than 266,000 electronic articles and book reviews, from more than 130 journals selected by leading religion scholars in the United States.

ProQuest Religion™

ProQuest Religion is an indispensable resource for students researching religious issues and perspectives. The database includes over *150* titles, with more than 130 available in full text. Designed to meet the needs of both religious studies programs and general library collections, the database is an excellent source of religious news and information.

The database provides details on doctrines and philosophies, reports on religious history, and related archeology. ProQuest Religion also covers formal theological studies and commentary on topics of general interest from the perspectives of specific religions. Primary faiths represented in the database are Christianity, Islam, Judaism, and Buddhism.

OPEN ACCESS electronic databases of journals

➤ **Directory of Open Access Journals**

Directory of Open Access Journals covers free, full texted, quality controlled scientific and scholarly journals. They aim to cover all subjects and languages. There are now 4288 journals in the directory, out of that 171 are from the field of Philosophy and Theology.
